

## AN AMERICAN UNIVERSITY AT THE HEART OF SOUTH-EAST ASIA

At New York University of Sciences, the education is American and your campus is the world. While studying at At New York University of Sciences in Thailand, you will benefit from the University's global network of campuses and the international perspectives of its academic programs

NYUS University, founded based private, nonprofit university with campus locations around the world including metropolitan, military, online and corporate, as well as American-style traditional campuses in North America, Europe, Asia and Africa

NYUS excels as a teaching university, which means our professors' first priority is to teach you. Our advisors' first priority is to help you get what you're looking for – even when you don't know what it is. We will work to develop an individualized learning experience that's only available at a university where your faculty will know you by name. Through small classes and personal attention, you'll get what you need to dream big and then follow through on your dreams

That's because at At New York University of Sciences we know it's you who defines your major, not the other way around

## PROGRAM OVERVIEW

Webster's Master of Business Administration programs are available in daytime and evening formats, and may be completed in 15 months or longer depending on intensity and emphasis. The duration of each term is two and a half months where students register for 2 courses (3 credits per course).

Applicants with an undergraduate degree in a non-business related major can also apply for the MBA program, subject to prerequisite course requirement.

## MBA DAYTIME PROGRAM

Aims at creating graduates who can thrive in a competitive corporate environment. The modules focus not only on developing functional knowledge required in a manager but also on the skills it takes to be a leader. Program options include international study trips and internships. Recommended for recent graduates with limited work experience.

## MBA EVENING PROGRAM

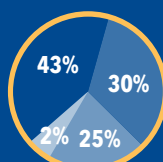

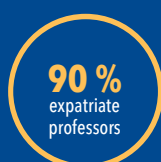

Provides a perfect fit for students who are interested in enhancing their managerial knowledge while continuing to work as a full-time professional. Students also have an option of completing an emphasis in their area of interest. Recommended for full-time and part-time students with advanced professional experience.

" I started my MBA at Webster Thailand and then transferred to the London Campus. This is indeed a truly global MBA and an outstanding experience. "
